About The HNSB. LTD. Science College:

Himatnagar Kelavani Mandal established **The HNSB. Ltd. Science College, Himatnagar**, in June 1993. The college began modestly with just two classrooms and two laboratories, functioning from a separate building. It was named in honour of a generous donation of Rs.30 lakhs from *The Himatnagar Nagrik Sahakari Bank Ltd.* The college holds the distinction of being the youngest grant-in-aid science college in the Sabarkantha district. Affiliated with *Hemchandracharya North Gujarat University*, Patan, the institution currently offers six academic programmes. At the undergraduate level, it offers courses in Chemistry, Botany, Microbiology, and Physics. The institution also promotes research activities and provides facilities for Ph.D. studies under the supervision of qualified faculty members. At present, the college has an enrollment of over 500 students. It has been accredited with a '**B' Grade**' by NAAC in both its first and second cycles and has received a **4-star rating** from GSIRF. The college has also applied for NIRF ranking. It consistently upholds high academic standards, with university examination results ranging between **95% to 100%**, demonstrating its strong commitment to excellence in science education. The college is certified with ISO 21001:2018 and ISO 9001:2015.
